Objective

To complete a STAIRS Cost or Accountability Report

COVID-19 Funding and Cost Reporting

HHSC Provider Finance has issued guidelines for how COVID-19 funds should be reported/offset on the report.

These guidelines are based on the Coronavirus Aid, Relief, and Economic Security (CARES) Act and the Texas Administrative Code guidelines/requirements

What is the Cares Act?

The CARES Act was passed by Congress and signed into law on March 27th, 2020.

The CARES Act provides relief for individuals and businesses that have been negatively impacted by the coronavirus outbreak.

What Does the Cares Act Require?

The CARES Act provides that “...**these funds may not be used to reimburse expenses or losses that have been reimbursed from other sources or that other sources are obligated to reimburse....**”

In this case, Medicaid is considered an “Other Source” that is obligated to reimburse the expense of providing Medicaid services.

TEXAS
Health and Human
Services

What Does the TAC Require?

The TAC provides, “Grants and contracts from federal, state or local government...**should be offset, prior to reporting on the cost report,** against the particular cost or group of costs for which the grant was intended....”.

The CARES Act Provider Relief Funds, the Paycheck Protection Program (PPP) and portions of the Economic Injury Disaster Loans **are considered grants** to the extent the funds are forgiven under the terms of the loan programs and/or the terms and conditions of the funds received.

TEXAS
Health and Human
Services

Provider Relief Funds

Cost Report Preparers **should offset** any provider relief funds recognized as revenue by the provider in 2021, not reimbursed by another source against any costs incurred in response to COVID-19.

Providers can reflect the detail of this offset in the trial balance or allocation summary uploaded as supporting documentation and report the final adjusted expenses on the cost or accountability report

TEXAS
Health and Human
Services

Provider Relief Funds

PRF used for Lost Revenue:

PRF revenue recognized in 2021 as a result of lost revenue should not reduce any expenses included on the unadjusted trial balance prior to those expenses being reported on the cost report because these lost revenue dollars are not associated with any specific expense.

- Providers must report any PRF revenue recognized as a result of lost revenue in Step 5d.

TEXAS
Health and Human
Services

PPP Loans

Salaries and Wages: cost report preparers **should offset** an amount equal to any staff wages reimbursed by PPP against any otherwise incurred salary, during the cost reporting period, prior to reporting.

Non-Payroll Expenses: cost report preparers **should offset** non-payroll related expense for the portion of the PPP loan utilized for those non-payroll items.

TEXAS
Health and Human
Services

PPP Loans

Providers can reflect the detail of this offset in the trial balance or allocation summary uploaded as supporting documentation and report the final adjusted expenses on the cost or accountability report.

Local Funds

Pursuant to TAC §355.103(b)(18)(B), “Grants and contracts from federal, state or local government, such as transportation grants, United States Department of Agriculture grants, education grants, Housing and Urban Development grants, and Community Service Block Grants, should be offset, prior to reporting on the cost report, against the particular cost or group of costs for which the grant was intended....”.

TEXAS
Health and Human
Services

Local Funds

If you have any questions about the treatment of local funds for purposes of the report, please contact the LTSS Center for Information and Training at PFD-LTSS@hhs.texas.gov.

Rate Enhancement

Providers enrolled in the Attendant Compensation Rate Enhancement program receive additional funds to provide increased wages and benefits for attendants and must demonstrate compliance with enhanced spending requirements.

Rate Enhancement recoupments are determined based on spending requirements associated with attendant compensation (such as wages, benefits, and mileage reimbursement).

TEXAS
Health and Human
Services

Cares Act Offsets and Rate Enhancement

The offset of PRF and PPP revenues, previously mentioned, **should not impact the hours reported** for any department on the cost or accountability report.

While the offset of some of the PRF and PPP revenues could reduce specific salaries reported on the cost report, the number of hours reported should agree with the actual hours related to the unadjusted salaries.

If you paid the salary using PRF or PPP dollars, the actual hours incurred will not change and do not reduce them on the Cost or Accountability report.

TEXAS
Health and Human
Services

Support Documentation

As in prior years, providers may be required to submit support documentation (e.g., trial balances, allocation summary, etc.) to support the information in the Report.

The state acknowledges providers may be required to submit reports to local or federal jurisdictions based on funds received (e.g., PRF, PPP, etc.). Do not provide the State with a copy of these reports and/or any applicable support documentation for these reports.

- If your recoupment is for a twelve-month period and is greater than \$25,000, you may request to have it collected over the span of 3 months.
- If your recoupment is for a twelve-month period and is greater than \$75,000, you may request to have it collected over the span of 6 months.
- If the reporting period report is less than a full year with a recoupment greater \$25,000, then HHSC may approve fewer than the requested number of payments in the payment plan.

HHSC Rate Analysis Department must receive your written request for a payment plan at one of the below addresses by hand delivery, U.S. mail, special mail delivery, or email (faxes will not be accepted). A payment plan request must be received no later than the “Review Period Expires” date shown above and below. A payment plan request not received by the stated deadline will not be accepted. A payment plan request post-marked prior to the stated deadline but received after the due date will not be accepted.
